

‘How we teach reading...’

from Year 3 to Year 6

We will be holding a reading evening for parents and carers on **Thursday 21st January** from 7pm – 8pm. This will take place in the hall in West Coleridge.

The focus of this evening will be on how we teach reading once the children enter the juniors. We will explain the variety of strategies we use to continue to develop children’s fluency, comprehension and enjoyment of reading, and we will provide practical strategies for helping to develop your child’s reading at home. We will also outline how Reading Workshops and Guided Reading work, as well as explaining the types of support given to children in the juniors who are still at the earlier stages of learning to read. This is the first time we have run an evening on teaching reading in the juniors, we do hope you’ll find it useful and be able to attend.
